CAPABILITY STATEMENT

MANA HOME ASSOCIATES, INC was founded in 2008 by a retired Army Nurse and her husband, an Ordinance and Logistic Reserve Component Officer. Her degree in nursing and specialty in Gerontology drove this couple to open the doors to provide compassionate, high quality holistic care to the elderly, persons with disabilities and their families. They are deeply committed to meeting the physical, emotional and spiritual needs of our residents. The residents receive care in an atmosphere that recognizes the health needs and physical welfare while respecting their dignity, privacy and individuality.
